In this edition: Team News, results, Sportsman's Dinner/Player Presentation,

After an exceptional season, finishing fourth in the East Super League, with our highest points and goals scored in this League, there was a very disappointing end to the season. We exited all three Cup competitions despite being at home in all the ties. In the League we also had a drop off in form winning only one and drawing two of our last seven games. However, overall, Manager Johnny Harvey and the players deserve considerable credit for their achievements this season and we look forward to season 2017/18. Sadly we have lost the services of four of our most senior players who have all decided to hang up their boots.

Ryan Gay is our longest serving player, having signed in September 2007 and has been an integral part in the club's growth over the eleven seasons he has spent at Penicuik Park, scoring 60 times in his 311 appearances in the blue and white, the most in the modern era.

Our captain Ryan McCallum joined the Cuikie prior to the start of the 2013/14 season and has led the line with distinction ever since, scoring 67 times in 125 appearances so far, arguably the most memorable one being his strike in last season's Conservatory Converters Fife & Lothians Cup Final victory.

Steven Noble made the move to Penicuik from Newtongrange Star last summer and has been a key member of the defence since, having made 29 appearances so far.

Billy Bald has also played a big part in Penicuik's recent history, with the goalkeeper making 257 appearances over two spells at Penicuik Park, having initially signed from St Mirren in 2002.

Penicuik Athletic Sportsmans Dinner/Player Presentation (Tickets £30 available from any committee member)

The Club is holding its Sportsmans Dinner/Player Presentation in the Penicuik Bowling Club on Saturday 3rd June 2017 - 7.30pm.
Guest speakers are Peter Brown and Bill Copeland

Peter Brown: I was a career banker with Bank of Scotland until I retired in 2008. Although my job took me all over Scotland I have lived in the Falkirk area all of my life. I am a keen golfer and in the mid 90's was Chairman of Glenbervie golf club for 5 years. It was whilst I was chairing prize giving dinners at the club I realised I enjoyed making people laugh and a new career was born.

Since I retired I have concentrated on developing my speaking career and I now entertain people on a regular basis throughout the UK. Whether it be a Burns Supper, a Corporate or a Sporting or Charity event I will do my utmost to make sure I "always leave you smiling."

Bill Copeland is a lawyer practising in Lanarkshire. Until recently he specialised in criminal defence work but given the swinging cuts in Legal Aid, he has become a conveyancer as there is now more money in acting for those buying houses than those burgling houses!!!

Born in Govan, a quaint fishing village on the banks of the Clyde, home to Sir Alex Ferguson and Billy Connolly, he attended a tough school - tough? There was a boy in the class who was allergic to peanuts and they used to take him round the back of the bike shed and make him play Russian roulette with a packet of Revels. There he learned the three R's Rangers and Rangers Reserves.
